

WEIGHT LOSS WITH ALTITUDE IN LONDON

LOSE UP TO 8 POUNDS IN ONE WEEK!

DEVELOP PHYSICAL STRENGTH AND EMOTIONAL BALANCE!

Integrative therapies, 5-7 sessions of 40 minutes each, include:

- Intermittent Oxygen Training /Therapy as the most efficient way to increase living energy and to eliminate water retention.
- Acupuncture as a powerful tool to control your eating habits, reducing appetite significantly.
- Customised dieting program including a range of healthy food, vitamins and supplements and fasting advice.
- Shoulder, neck or feet massage.

Integrative therapies achieve remarkably quick improvements in your appearance as well as the elimination of stress, fatigue, depression and sleeping problems.
